Online Resources' ~ Adult Learning Health & Wellbeing Courses

Refreshments

For more info email: gperry@healthwatcheastridingofyorkshire.co.uk
Tel: 01482 665684

The Aim of the Forum is to try and help local people facing problems and issues accessing and using local Health and Social Care Services. We can put you in touch with the right people or support services and groups that are there to help. The Forum also aids communication and understanding between services and agencies.
